Colin Turner CEO Mentor

*“Providing the ideas, insights and initiatives that CEOs really want...
and reliably following them through”*

Every great leader has benefited from the best guidance and ideas because each of them knows that success is not about just doing a job...

its about achieving mission.. after mission.. after mission...

indeed many missions that culminate in a fulfilling career...

a career that has made a difference.

Having a mentor makes that difference happen. It is more than coaching.

Coaching is about your job; mentoring is about your career.

A mentor for an organization brings 2 benefits.

Developing the key assets of the business.

And aiding the retention of top talent.

For an individual a mentor supports the realisation of your potential.

If you are a CEO, or an aspiring CEO, interested in raising your game, planning your next challenge or determined to be the best at what you do, and want to benefit from the best guidance and ideas...

...then you will be interested to know that I have mentored every one of my clients to successfully achieve their goals.

Contact me for an initial consultation...

Because, it's not what you've done that counts...

it's what you have the potential to do that gives you the edge...

And with me as your Mentor, I will ensure you have that edge.

Raising Excellence with Corporate Entrepreneurship

Though every business has its origins in entrepreneurship, such agile thinking is often forgotten. In current turbulent times it is vital to develop those same entrepreneurial leadership skills that were instrumental in the founding and successful growth of their business.

Such attributes are essential for learning from the experience that current challenges demand; for harnessing the resources to achieve common goals; for re-energizing existing valuable talent, maximizing value opportunities; growing revenue and winning new business.

This high-impact keynote shares thought-provoking concepts and cutting-edge practical tools including...

- The Prime Directive of the New Corporate Entrepreneur.
- Two Perceptions that Must-Be-Changed by Business Leaders.
- Three Principles of Entrepreneurial Leadership to Sustain Growth.
- The 1% Solution to Raise Innovative Excellence.

LEADERS' TESTIMONIALS

"I have absolutely no hesitation at all in endorsing Colin Turner. His energy, drive, challenging input, creative thinking and practical strategies over a 12 month period were certainly instrumental in our company significantly altering both our management and marketing perspective that ultimately supported our mission to be no. 1 in our industry. I had the choice between the Big Four Consulting Firms or Colin Turner – I made the right choice – we doubled our profits in twelve months."

Ken Moran,
Chairman and CEO, Pfizer UK

"I met Colin Turner in Hong Kong where his thought-provoking presentation set a very positive and participative atmosphere for the Lloyds Leadership Conference. I commissioned him to introduce new thinking and ideas into my executive team that proved instrumental in our achieving our growth strategy."

Edward Creasy
Group CEO, KILN Group PLC

"The T-O-P-S Brain-Storming Session that Colin prepared and facilitated for us captured more with 90 executives in 90 minutes than in 90 days of planning. The succinct report and recommendations that we received 7 days later was extremely valuable in relation to introducing a structured platform for innovation."

Eric Chartrain
CEO EMEA, International Paper

"A very re-invigorating and re-energizing session full of ideas that has made us question current routines and the way we go to market."

Benoit Testard
CEO, United Biscuits
